All Wales Student Midwives Conference 2015

Collaboration to gain success

Student Midwives – what can we bring??

- Evidence based practice
- Woman centred care
- Study days
- Communication in the age of Social Media
- Could collaboration benefit us??

The Code and Social Media Guidance

- Building and maintaining professional relationships.
- Establishing support networks.
- Four pillars:
  - Prioritise People
  - Practise Effectively
  - Preserve Safety
  - Promote Professionalism

Balancing Act
