  - Skills, confidence etc
- **Future actions**
  - Realisation of The Four C's

Two questions:

1. What role **do** young people currently play in helping you to achieve your objectives/meet your targets?

2. What role **could** they play?

DVD

Answering the question,

...how do we get young people involved?

T.M.C THE MIGHTY CREATIVES

Scenario based task:

- You are:
  - a part time senior project worker/manager.
  - based in a market town.
  - planning a large scale project for 13–15 year olds that needs to happen at least once a week over the school holidays.
  - required to report your findings/project plan to funders in two months time.

Scenario based task 2:

Three groups:

1) What are the blockers/challenges?
2) What are the enablers/opportunities?
3) How are you going to market the project?

Work together with the others in your group to answer one of the above. Write one thought on each card and stick them onto the papers on the wall...

To be a **Consumer** you...

- KNOW about it
- ACCESS it and
- TRY it

And finally...

Safiya's top tips to successfully engaging young people...

Any questions?

Thank you…
