Department of Health

Improvement & Efficiency Through Strategic Commissioning

Presentation – Ian Winter

Health 09 Conference

London Hilton Metropole

9th November 2009

The Bedrock of Commissioning

- Joint strategic Needs Assessment (JSNA)
- Commissioning intentions
- Commissioning outcomes
- Co-operative commissioning priorities
- Procurement (making it happen)

Driving Efficiency & Improvement

- Quality vs. cost

- Efficiency
  - Innovation
  - Productivity
  - Better outcomes

- Patients/services user experience
  - Dignity
  - Choice of control
  - Pathway definition
