PRO-ACTIVE CENTRAL LONDON

supporting sport and physical activity

COUNTY SPORTS PARTNERSHIP NETWORK

Joining Up: National Strategy with local implementation

CSP strategies, networks & groups

Local NGB Networks:

•England Athletics McCain Athletics Networks

•ASA Aquatics Strategies & Local Swimming Forums (www.aquaticsstrategies.org)

•Badminton England - Community Badminton Networks

COUNTY SPORTS PARTNERSHIP NETWORK

Badminton England:
Community Badminton Networks

To find out more visit:
www.cspnetwork.org
or contact us at:
info@cspnetwork.org

COUNTY SPORTS PARTNERSHIP NETWORK

Joining Up: NGBs with local areas

Helping NGBs deliver on the ground

CSPs will understand NGBs priorities for the local area, represent and advocate these needs, will seek opportunities to add value to NGB work and will use their networks and relationships to speed up delivery and support the achievement of NGB outcomes

COUNTY SPORTS PARTNERSHIP

Supporting Local partners:

Helping local partners understand NGB Whole Sports Plans, align their work and resources to support NGB pathways and contribute to shared outcomes. CSPs will help identify local need and opportunities and feed back up to NGBs

Working in Partnership with Local Authorities

COUNTY SPORTS PARTNERSHIP NETWORK

British Rowing working with CSPs & Local Authorities

BRITISH ROWING

- Indoor & water based learn to row courses
- Connecting rowing clubs with community groups and networks
- Include rowing in more outdoor / watersports centres
- Securing tenure for rowing clubs
- Training to upskill the workforce in Gyms and schools
- Links with health and community

COUNTY SPORTS PARTNERSHIP NETWORK

Joining Up: Supply & Demand / Providers & Customers

Demand

Supporting SSPs, schools, youth groups and others to understand and stimulate 'demand', and identify need, especially amongst key groups

Effective Signposting

COUNTY SPORTS PARTNERSHIP

Supply

ensuring the work of current providers and opportunities are coordinated and supported to maximise their impact.

The identification of gaps in provision comparing current provision against the identified needs, and the **design, development and prioritization of interventions** or activities to meet these gaps and needs.

COUNTY SPORTS PARTNERSHIP NETWORK

Key Messages

- CSPs are partnerships! They help bring together the Sport, PE and physical activity sector locally and can help coordinate the 5 hour offer
- There is a need for partners to work together to align resources to maximise impact on outcomes
- CSPs can help broker relationships between NGBs and Local Partners
- CSPs provide leadership and connectivity, and an effective delivery system.
