Airbus Apprentice Programmes

- We work in Partnership with our service providers – Deeside College, Glyndwr University, City of Bristol, OutwardBound, SEMTA etc

- We offer a range of programmes for new and existing employees

- Employees gain a wider range of skills and knowledge, and improved maths, English, science and IT and will have a true Technical Certificate at level 3

- We are able to demonstrate to all including the UK and Welsh Assembly Government as that we are a committed supporter of life-long learning.

- We are able to attract, develop and retain tomorrows talent and our future leaders

- We create true ambassadors of our Company that are active in community supporting good causes and representing us at key events
