A New Internship 16-18

What do we mean by ‘Internship’?

- Work experience linked to education.
- A ‘contract’ between local education providers and local businesses.
- Designed for students not applying for universities.
- A Three Day – Two Day split week. GLH in the three days – two days in placement.

What are the Advantages?

For Business:

- **An opportunity to access a workforce early and inculcate them with the business ethos and culture of the working environment.**

For the Student:

- **An opportunity to at least get a reference that is based on something real – possibly walk straight into a job..**
- **An opportunity to earn in the holiday and weekend periods.**

How Do we Use our Time Now?

1. Why will this model of internship work?
   What would make it fail?
2. Why will this model fail?
   What would help it succeed?
3. What specific local issues are ‘blockers’ or ‘pushers’.
4. What can I do to enhance the work opportunities of the students in my care?
