Training & Employment Case Study

Client : Steve
Service: Training & Employment Services/ Ex Offender
Details: Labourer/ Bramalls Construction/ Insulation Framework

Steve, aged 29 secured a job as a labourer with Bramalls.

He said "I have been on a number of Fusion21 courses throughout the years including 3 Skills Programmes and one E2C course.

Fusion21 have helped me to find jobs in the past but I have been made redundant a few times. However since finding Fusion21 they have always helped me to find work, I have always gone back to Fusion21 and every time they have been able to find me another opportunity."

Steven was sent to jail at the age of 17 for dealing drugs. He was sentenced to 9.5 years and served 4 years.

He says of his experience, "Fusion21 have helped me so much, if it wasn't for them I would probably be back in jail now or still dealing drugs. Without their support I wouldn't be where I am today.

All I want to do is make my mum and my Nan happy and proud of me, Fusion21 has given me the chance to do this by helping me to find a job and keeping me out of trouble."

Thank You!!
