University League Tables

We rank UK universities by assessing their performance in nine quality factors

Overall

The first university league tables were published nearly 20 years ago and have continued to be the subject of vigorous debate among academics ever since.

Does it all add up?

Budgeting made easy

Check your eligibility for loans & grants

Build your budget for uni.

Get Started

Not from England?

The information in this calculator is for students from England. Students from Wales, Scotland and Northern Ireland have different student finance arrangements, so ***contact the relevant student finance organisations in your country.***

International students won't be entitled to most student finance in the UK. Try the ***International Student Calculator*** to build a budget tailored to the needs of students from outside the UK, with extra information on visas and immigration.

Take me to the International Calculator

Are you a parent?

Extra support is available for parents who are studying, including money to help cover childcare costs. The Student Calculator can help you to calculate these.

For more information on studying as a parent, along with case studies of real student parents, take a look at ***StudentParents.org***

Take me to StudentParents.org

HIGHER EDUCATION LIAISON OFFICERS ASSOCIATION

Shell liveWIRE Grand Ideas Award Winner 2012

Welcome to unitasterdays.com; a unique, invaluable and up-to-date source of UK university taster events, workshops and open days for school and colleges.

It's a simple-to-use central portal, listing crucial events that enables universities, teachers and potential students from schools and colleges to get together to chat about the realities, dispel the myths, and look forward to the advantages and opportunities of higher education.

Schools & colleges - why use UniTasterDays.com?

- Search our database of taster events held at local universities. New events added every day!
