There are 32 proposed CCGs in London undertaking waves of authorisation

NHS Commissioning Board

All are coterminous with their local authorities except for: City & Hackney CCG covers the boroughs of Hackney and the City of London. West London Commissioning covers the whole of Kensington & Chelsea and 12 practices in Westminster

Ealing CCG has the largest population (c.390k) and number of GP practices (82). Central London CCG has the smallest population (c.130k)
