Go-Ride

Delivering high quality opportunities in schools, clubs and the community.

Community Programme

- Club support sessions
- Holiday coaching programmes
- Club development

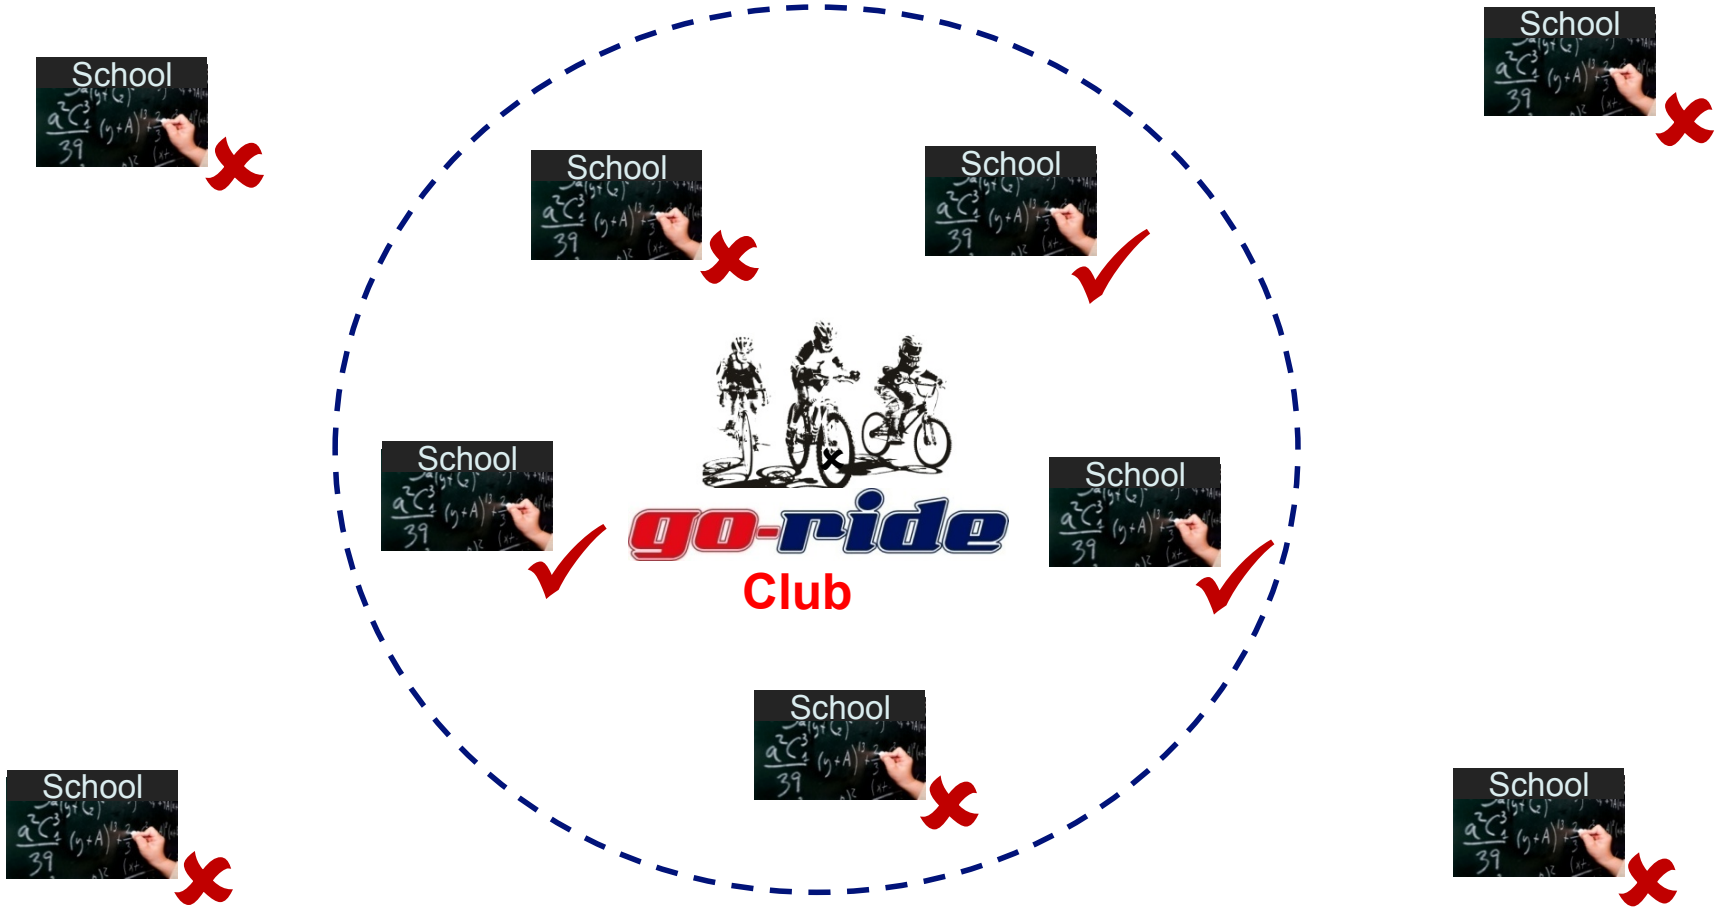
Schools Programme

- Progressive coaching sessions in schools
- Linking schools to community clubs

Promotional Activities

- Major events
- School Games
- Entry level competition

Schools Programme



Community Programme

- Go-Ride Clubs delivering all year round activities
- Delivering a quality experience to young people - what young people want!
- Supported by British Cycling Regional Staff
- Volunteer delivery will always be significantly higher than paid delivery

Entry Level Competition: Go-Ride Racing

Manchester

- Part of a wider partnership to develop cycling in the city
- Linked to the development of world class facilities
- A combination of facility-based and outreach coaching
- A collaborative approach to delivery

MANCHESTER CITY COUNCIL

The Velodrome Trust

Kent

- Supporting the development of a new iconic facility
- Raising awareness in schools and the community
- Provision of coaching at the facility
- Growing participation and maximising usage

cyclopark®

Cyclopark Trust

York

- Creating opportunities within the University and the wider community
- Linked to the development of new facilities
- A combination of on site and outreach sessions
- Raising awareness and guiding young people to the facilities

THE UNIVERSITY of York

Birmingham

- Development legacy from the BMX World Championships
- Included the development of a national standard BMX track in Perry Park
- Mainly outreach work feeding into the new facility
- Opportunity to experience an exciting new activity

Derby

- Development of an iconic facility for the city
- Part of the strategy to update existing leisure facilities
- Outreach work to create demand in preparation for the new facility
- Working in collaboration with Cycle Derby

Derby City Council

cycle derby

Suffolk

- Development of cycling in a rural community
- Funded through Sport England themed funding round
- Providing opportunities in schools and the community
- Highlighting opportunities for cycling in a rural setting

Facility Development

Thanks for Listening
