Brighton Pathway Team

- Started with needs assessment 2011
- Research Trial June 12-Sept 13
- 3 session GP/FT NP/1 session project support
- Now Pathway plus workers x3
- Small teaching hospital
- Well defined population
- Known homelessness hot spot in region
- Well developed local services
- Funding-trial, DoH fund bid, now CCG for 1 year

Best things

- Pathway Plus
- Southern Hub for Faculty
- Other DoH bids
- Links with existing services-strengthen/build
- Plan for fully integrated community and hospital in-reach service (with housing and social care)
- Medical student group

Issues-funding and team boundaries, getting timely referrals

mpath - Manchester's homeless health inclusion pathway

GP led in reach service into Manchester Royal Infirmary identifying and working with homeless people that are admitted and/or frequently attend A&E

1 x GP – Dr Gerry O'Shea/Dr Shaun Jackson
Service Manager – Emma Hicklin
1 x Homeless Liaison Nurse
2 x Case Managers
0.5 x Admin Worker

What has worked well

- Effectively linking into existing primary care service

What remains a challenge

- Promoting a holistic response to A&E attendances within the hospital

mpath
Manchester's homeless health inclusion pathway

Homeless Accomodation Leeds Pathway

- <u>Core HALP team</u>
- Street outreach workers x 4. Senior worker is HALP team coordinator and MDT chair.
- Primary care team – GP and nurse
- Housing support workers x 2
- Overnight hostel manager. 2 x dedicated beds in overnight hostel.

- <u>Also attending MDT</u>
  - Adult social care
  - Local authority (Health and Housing)
  - Hospital discharge team leader

- Large, wide ranging team
  - Range of expertise and contacts
  - Can be unwieldy to coordinate

Pathway Bradford

pathway Healthcare for homeless people

Bevan HEALTHCARE

horton housing

Bradford Teaching Hospitals NHS
NHS Foundation Trust

- Team operational since Nov 2013
  - GP (3 sessions); Nurse (F/T seconded by BTHFT); Senior Support Worker (F/T seconded and funded by Horton Housing)
  - Funding: DoH Innovation Excellence & Strategic Development Fund till Oct 2014
- Best things
  - Support worker; links to Intermediate Care & Street Medicine Team; Project Board positive & collaborative; service user contribution; results
- Hardest thing
  - Involving key senior Hospital Trust management

Kings Health Partners Pathway Homeless Team

What has gone really well…

- Partnerships
- The way the team has been received!

What has been challenging…

- IT
- Honorary contracts
- 'Ownership' of team (by hospital management)
- Getting to know hospital structures
- Immigration issues in many clients
